Quarterly Newsletter — Fall Edition

9 December 2009

## Apply for the Blue Faery Award

If you are a researcher or know anyone studying liver cancer, please be aware that Blue Faery is now accepting submissions for our second annual **Blue Faery Award for Excellence in Liver Cancer Research**. The application process is quite simple, and all of the directions may be obtained by downloading the guidelines packet from the [Blue Faery Award page](#) from our website. We are looking for doctors and scientists who have made significant contributions to the advancement of scientific knowledge in the diagnosis, treatment, prevention or understanding of liver cancer. The deadline for submission is January 31, 2010. Please contact [Andrea Wilson](#) with any questions; put "BFA" in the subject line of your email.

## Donate to Blue Faery's Annual Campaign

In April, Blue Faery kicked off its annual campaign. This endeavor supports our general operating costs, which include our patient education brochures, our public outreach to the community and our other efforts to fight liver cancer. You can contribute to our annual campaign by [donating now](#). Thank you for your generous contribution.

## Shop Blue Faery

The holiday season is just around the corner so now is the perfect time to visit the [Blue Faery store](#) to shop for gifts for the entire family. If you need something for the office, our [Blue Faery calendar](#) is tasteful and useful; moreover, you can see the entire year at a glance.

## Do you have a liver cancer news story?

[Email Andrea](#) if you have a story that you think would be of interest for our quarterly newsletter. Put "Blue Faery Newsletter" in the subject line, and we will consider it for our next edition.

Note: Please add [info@bluefaery.org](mailto:info@bluefaery.org) to your address book so that the Blue Faery e-Newsletter will not land in your junk mail folder.
