Blue Faery

Quarterly Newsletter – Fall Edition

10 November 2010

Meet our accountant Alta Wilson

With 34 years of accounting in both the public and private sectors, Blue Faery is fortunate that Alta Wilson has volunteered to do our taxes for the past eight years. Ms. Wilson earned her bachelor's degree in accounting from the University of Arkansas, and she spent over 10 years working in the healthcare industry as a regional and divisional controller. She holds an [Enrolled Agent](#) license with the IRS, which allows her to prepare taxes and represent citizens before the IRS in all 50 states.

Ms. Wilson says her favorite thing about her job is that, "Nothing is ever the same." No two tax returns and no two clients are identical. She feels appreciated when she can help someone save money on their taxes. Her least favorite thing is, "Having to tell people they owe money." If she was not an accountant, Ms. Wilson would be a geologist and attend the [Colorado School of Mines](#) in Golden, Colorado. "I love looking at rock formations, what caused them, [and] what kind of pressure was involved."

For more information regarding our outstanding accountant, please [email Ms. Wilson](#) or contact her at [Allard & Company PA](#).
