Blue Faery

Quarterly Newsletter — Summer Edition

7 August 2009

Meet new Blue Faery board member Corey Woods

An award-winning screenwriter, Corey was recently a Nicholl Fellowship semi-finalist for his script *Offering*, which also garnered him a finalist nomination in the 2004 International African Film Commission competition. When he is not writing, Corey works as a boom operator on hit television shows such as *24*, *Crossing Jordan*, *Life*, *Madmen*, *The Unit*, *Clueless*, and many others. In 2004 and 2005, the Academy of Television Arts and Sciences recognized Corey for being a member of the team who won an Emmy Award for outstanding achievement in sound mixing for the dramatic series *24*. Corey's love for screenwriting began when he earned an associates degree in film and television production. A native of Eugene, Oregon, Corey is a current IATSE member. He and [Andrea Wilson](#) were married in 2006. Though he never knew Adrienne, Corey knows her story, which led to his involvement with Blue Faery.

Donate to Blue Faery's Annual Campaign

In April, Blue Faery kicked off its annual campaign. This endeavor supports our general operating costs, which include our patent education brochures, our public outreach to the community and our other efforts to fight liver cancer. You can contribute to our annual campaign by [donating now](#). Thank you for your generous contribution.

Request Blue Faery's FREE educational brochures

As a reminder, our [HCC Patient Education Brochure](#) is free of charge to all patients, their families and their healthcare providers. The brochure is currently available in English, Spanish and Chinese; however, we are considering other translations in the near future. To request FREE brochures for your patients, please contact Vice President and (current) chair of Medical Research [Sherri Rose](#), and the brochures will be shipped at no charge. If your patients need information right away, they may download the brochure from our website at <http://www.bluefaery.org>.

Volunteer to be Blue Faery's new Medical Research Committee (MRC) chair

After six years of loyal service, our current MRC chair Sherri Rose will be transitioning to Blue Faery's esteemed [MRC Advisory Board](#). Thus we have a new opening to replace her former role as MRC chair. Ms. Rose will be aiding the transition of the newly appointed chair, whom we hope to find soon -- with your help! To fill this position, we need someone who

- Lives in California (preferably the Los Angeles area).
- Holds a degree in the health sciences -- a higher degree such as an MPH, MD, or PhD is preferred, but not required as long as you have a science background.

- 3.
4. Hold monthly meetings, which includes writing an agenda and keeping minutes. Meetings may be conducted in-person, by telephone, or via email.
- 5.
- 6.
- 7.
8. Report to the board of directors regarding MRC activities.
- 9.
- 10.
- 11.
- 12.
13. Plan short and long-term goals and objectives for the committee.
- 14.
- 15.
- 16.

If you are interested in this position or know someone who might be, please email [Andrea](#) and put "MRC Chair" in the subject line.

Do you have a liver cancer news story?

[Email Andrea](#) if you have a story that you think would be of interest for our quarterly newsletter. Put "Blue Faery Newsletter" in the subject line, and we will consider it for our next edition.

Note: Please add info@bluefaery.org to your address book so that the Blue Faery e-Newsletter will not land in your junk mail folder.
